

JAMAICA BAY INN

A Pacifica Hotel Company Hotel

A BRAND NEW TROPICAL RESORT ON THE SAND IN MARINA DEL REY

The all-new Jamaica Bay Inn will reopen this fall with a design that resembles the colorful and relaxed style of a West Indies resort, complete with lush flora, beautiful beachside pool and marina views. Adjacent to the hotel is a new restaurant and bar. Aptly named Vū ("view"), it boasts large windows which seamlessly bring the beach, garden and marina inside. The trellis-covered outdoor dining area overlooks the beach and garden, making it an excellent place to enjoy food and drinks in the ocean air.
